Greetings ESCADV Family & Friends,

We are embarking on our "Gift of Hope Campaign" for 2018! First and foremost, we want to thank you so much for your past support of our mission to keep survivors of domestic violence and sexual assault safe and alive. We could not do what we do without your continual help and support! Your generosity has enabled us to provide a safe haven for our clients and to give them peace and a plan to recover from their brokenness and embark upon their life dreams. You allow us to give our clients hope for a better future for themselves and their children.

In fiscal year 2018, we provided 4950 nights of emergency shelter to 135 individuals, including 62 children, fleeing domestic violence and/or sexual abuse. Our advocates accompanied twelve victims of sexual assault during the PERK (Physical Evidence Recovery Kit) exam at our local hospital. In addition to the emergency services providing shelter, safety and accompaniment, our staff also provided over 2,500 hours of advocacy, assisting individuals in their path to healing.

It's with a grateful heart that we ask you once again to consider helping us help the survivors of domestic violence and sexual assault by giving a financial donation during our "Gift of Hope Campaign" for 2018!

We thank you in advance for your support to help us, help others in need!

With Regards,

Arventa Smith
Board President
