## Shelter Sponsorship Opportunities

### **About our clients**

The survivors we serve are young and old and from all races, economic backgrounds and many cultures. Many bear scars from emotional and physical abuse. With your help we are able to assist victims of domestic violence on the Eastern Shore and help them to rebuild their lives. Last year we provided 3,733 nights of safe shelter.

### **About our shelter**

The Eastern Shore Coalition Against Domestic Violence (ESCADV) operates the only emergency shelter for survivors of domestic violence on the Eastern Shore. We serve all of Accomack and Northhampton Counties. Our shelter was built in 1996, is designed as a duplex, and can accommodate up to 16 individuals. Each "side" includes a living room, kitchen, two bedrooms, and one bathroom. For the safety and security of our clients, the shelter's location is kept confidential. Guests may reside at the shelter for up to six months.

### **Why Sponsorship?**

ESCADV recently lost a critical grant because the state's funding priorities changed. These funds had previously paid for our shelter's operations. In 2012, our shelter was in serious jeopardy of having to close its doors. However, the community and our Board rallied to help stabilize our finances. This generous support allowed us to pay off the mortgages on both our office building and the shelter. However, to keep the shelter operational and to conduct needed updates and maintenance, we must continue to engage the community.

## *Room for Hope Sponsorship Opportunities*

***“The Comfort Zone” (Living Rooms)*** - Help create a common area environment that is soothing and inviting to clients and their children. Your support would provide furnishings, flooring, books, and other useful items.

***“Set the Table” (Kitchens)*** - The kitchen is where families come together to share meals and have quality time together. Your support would help with appliance repairs, kitchen supplies, and food.

***“Good Night, Sleep Tight” (Bedrooms)*** - As a place of rest and relaxation, our bedrooms provide space for clients and their children to unwind and have privacy. Your support would be used for items like furniture, beds, and bed linens.

***“The Flush Fund” (Bathrooms)*** - Your support can help keep the water running and our restrooms in good condition. Items included in sponsorship include the water bill, septic tank repairs, and repairs to bathroom facilities.

***“Light the House” Sponsorship (Utilities)*** - Help us keep the lights on and the temperature comfortable. Your support will help pay for lighting, lamps, and utility bills.

***“Keep it Ship Shape” (Cleaning)*** - We want our clients to be in a place that is clean and tidy. Your support will help with cleaning supplies, deep cleaning, trash disposal, yard work, paint, and any washer and dryer repairs.

***“Rainy Day Fund” (Emergency repairs)*** - We know that our shelter is getting older, and we need to plan accordingly. Your support will help us reach our goal to have a \$10,000 contingency fund for any needed repairs or unexpected shelter expenses.

***“Play Therapy” (Fun for clients and their children)*** - Our clients are working hard to rebuild their lives, so we also want them to have opportunities for fun and relaxation. Your support can provide needed breaks for families to recharge and reenergize. Tickets for local events, group outings, and recreational activities would be supported from these funds.

***“Moving Forward” (Client transitions)*** - You can help clients as they move from the shelter to new housing. Clients are often starting from scratch and your support will help “pack their suitcases” with resources and well wishes.
